This matter comes before the Public Service Commission of South Carolina (the Commission) on the request of Ralph W. Longshore, Sr. to intervene out of time in this proceeding. Mr. Longshore had been under the impression that he would be allowed to cross-examine the witnesses as a Protestant, according to his letter. When he found out that this was not appropriate, he asked to be given intervenor status, so as to be able to make a presentation, and to question the witnesses as well.

We grant Mr. Longshore's request to intervene out of time, based on his request.

This Order shall remain in full force and effect until further Order of the Commission.
